To whom it may concern:

I am pleased to write a letter of recommendation for Ms. Katelyn Perry for the Quality of Life competition, hosted by the Miss Mississippi Pageant. My name is Amber Magee, and I am the Community Development Coordinator at Children's of Mississippi. I oversee all of our in-kind donations as well as our patient ambassador program. Children's of Mississippi is a Children's Miracle Network Hospital, raising funds for critical treatments, healthcare services, pediatric medical equipment, and charitable care. Ms. Perry has been a vital part in helping us reach our goals of creating a healthier Mississippi through her fundraising efforts.

Through her non-profit organization, Crowns for a Cause, the patients of Children's of Mississippi have been gifted with cozy socks, colorful and kid friendly Band-Aids, and coloring books. Generous donations such as these provide comfort to a child facing an often vulnerable and stressful time in their life. She has also raised thousands of dollars for us through fundraising programs that have directly benefited Children's of Mississippi. This year, Katelyn walked with us in the Hal's St. Paddy's Day Parade, helping us collect donations for the children's hospital.

It is through donors like Ms. Perry that Children's of Mississippi is able to expand and grow and continue to provide the best possible care for all of our patients.

I have personally worked with Katelyn since August of 2022. I am consistently impressed with her compassion, altruism, and her strong desire to support Mississippi's only children's hospital. It has been an honor and privilege to have her confidence and support. I look forward to continuing our working relationship in the future. I am available to speak with you about Ms. Perry through the provided contact information listed below.

Best Regards,

Amber Magee
Community Development Coordinator
